Rules of the House of Representatives

As contained in House Resolution

1001 (Index on Page 92)

Rules of the House

MEMBERS

1
2 1. Every representative shall be present
3 within the House during the session of the
4 House and every member shall be present at
5 each committee meeting of which he or she is
6 a member, unless excused or necessarily pre-
7 vented. It is the policy of the Arkansas General
8 Assembly, as a term-limited body, to encour-
9 age legislators to learn as much as possible by
10 attending meetings of committees of which
11 they are not a member. Prior signed and docu-
12 mented approval must be obtained from the
13 chairperson of a committee for a visiting non-
14 committee member to enjoy certain privileges
15 offered to regular members.

16 2. For the purpose of seating in the House
17 Chamber for an upcoming regular session of
18 the General Assembly, the Speaker of the
19 House, following the November General Elec-
20 tion, shall declare all House Chamber seats va-
21 cant and representatives and representatives-
22 elect must select in the order of their seniority
23 any seat not occupied after notification by the
24 Chief Clerk of available seats. Absence or fail-
25 ure to select a seat at the assigned selection
26 time will automatically allow the Speaker to as-
27 sign the member to his or her same seat if it is
28 available or the member or member-elect to a
29 seat selected by the Speaker. The Chief Clerk
30 shall furnish voting machine and desk keys.

Rules of the House

1 3. When it is necessary for seniority of in-
2 coming members to be determined by lot, the
3 Speaker of the House and the Speaker-design-
4 ate of the House shall conduct a drawing by
5 lots upon receiving certification from the Sec-
6 retary of State of the election of membership to
7 each General Assembly. Qualified and certi-
8 fied persons to be seated and officially receive
9 the oath of office may do so only at a time and
10 place prescribed by the House. No person hav-
11 ing resigned from public office as a provision
12 to a plea agreement to avoid felony prosecution
13 shall be seated or administered the oath of of-
14 fice. Incoming members with previous legisla-
15 tive tenure shall be placed highest in seniority
16 among the incoming members based upon pre-
17 vious terms of service. Where an equivalence
18 of full terms of service exists, seniority for
19 those with equal terms shall be asserted by
20 drawing lots to determine their numerical
21 standing.

22 4. A majority of all representatives elected
23 to the House shall be necessary to transact busi-
24 ness. When less than a quorum of House mem-
25 bers shall assemble, those present shall be au-
26 thorized to send for the absent representatives
27 or adjourn. Penalties may be decided by a ma-
28 jority of the representatives present. (*Arkansas*
29 *Constitution, Article 5, § 11*)

30 5. Each representative is expected to vote
31 on each question put before the House unless

Rules of the House

1 he or she has an immediate personal interest.

2 6. Any representative shall have the right
3 to explain his/her vote on any bill or other ques-
4 tion before the House, in writing. Such expla-
5 nation shall not be entered upon the Journal,
6 but shall be filed with the Chief Clerk.

7 7. Every bill or resolution in the possession
8 of the House or of any committee thereof shall
9 be made available to any member for his/her
10 examination.

11 8. No member at any time shall take from
12 the House or any committee any bill or other
13 paper belonging to the House, without consent
14 of the Speaker, subject to the will of the House.

15 9. It shall be the duty of each representative
16 to know, practice and preserve Parliamentary
17 Law.

10 ble to attend, absentee ballots may be requested
11 by a member for himself/herself from the

13 calendar days prior to the scheduled election
14 and must be completed and returned to the
15 Speaker's Office no later than four p.m. (4:00
16 p.m.) the day before the scheduled election. It
17 is the intent of the Speaker's office to accom-
18 modate any and all members for Speaker-des-
19 ignate voting, should a member have a docu-

16 Speaker-designate will not serve as a member
17 of the House of Representatives of the next-fol-
18 lowing General Assembly due to death, resig-
19 nation, or failure to be a candidate for or to win
20 reelection, a vacancy in the position of
21 Speaker-designate shall exist and be filled at
22 the caucus of the entire House of Representa-
23 tives-elect held on the Friday of the week des-

28 ular session.

3 by the membership of the House upon conven-
4 ing of the regular session.

6 tures of members of the House of Representa-
7 tives for a particular candidate seeking selec-
8 tion as Speaker-designate shall not be circula-
9 ted among the members of the House of Rep-
10 resentatives.

PARLIAMENTARY PRACTICE

13
14
15 19. When a question is under debate, mo-
16 tions shall have precedence in the following or-
17 der (the request for a quorum call is always in
18 order; the Chairperson is not compelled to ac-
19 cept any motion):

20 19.(a) To fix the time to which the House
21 will adjourn (non-debatable) (majority of a
22 quorum);

23 19.(a)(1) (A majority of a quorum is a ma-
24 jority of those voting when at least a majority
25 of the members are present and voting;)

26 19.(b) To adjourn (non-debatable) (major-
27 ity of a quorum);

28 19.(c) To take a recess (non-debatable)
29 (majority of a quorum);

30 19.(d) Postpone temporarily; lay on the ta-
31 ble (non-debatable) (majority of a quorum) To

Rules of the House

1 take from the table (non-debatable) (majority
2 of a quorum) (when the motion to take from the
3 table is adopted, the proposition takes the same
4 position it held when the motion to lay on the
5 table was adopted);

6 19.(e) Immediate consideration (non-debat-
7 able) (2/3 of a quorum);

8 19.(f) Previous question (non-debatable) (5
9 seconds) (majority of a quorum);

10 19.(g) Limit or extend debate (non-debata-
11 ble) (2/3 of a quorum);

12 19.(h) To expunge (debatable) (2/3 of
13 membership) (67);

14 19.(i) Postpone to a day certain (debatable)
15 (majority of a quorum);

16 19.(j) Committee of the Whole, go into
17 (non-debatable) (majority of a quorum);

18 19.(k) Refer (debatable) (majority of a
19 quorum);

20 19.(l) Amend (debatable) (majority of a
21 quorum);

22 19.(m) Postpone indefinitely (debatable)
23 (majority of membership);

24 19.(n) Take out of proper order (non-debat-
25 able) (2/3 of a quorum);

26 19.(o) Special order of business (debatable)
27 (2/3 of a quorum); and

28 19.(p) To suspend the rules (non-debatable)
29 (2/3 of a quorum).

30 20. A motion to adjourn shall always be in
31 order, when the Floor can be obtained for that

Rules of the House

1 purpose, except when the previous question has
2 been ordered.

3 21. The motion to recess, when the Floor
4 can be obtained for that purpose, must specify
5 the time which shall elapse and the time for re-
6 convening. It may be amended to alter specific
7 time.

8 22. Previous question:

9 22.(a) When any debatable question is be-
10 fore the House, any member may move the pre-
11 vious question. It shall be seconded by five (5)
12 members whether the question shall be stated.
13 When the previous question shall have been
14 adopted, the proponents shall be allowed fif-
15 teen (15) minutes in which to debate it, and the
16 opponents of the main question shall be al-
17 lowed fifteen (15) minutes, after which time a
18 vote upon the main question shall be taken.

19 22.(b) Pending a vote on the main question,
20 one (1) motion to refer is permitted. A motion
21 to refer under this rule applies to House resolu-
22 tions as well as to House bills, to Senate bills
23 and to Senate amendments to a House bill, and
24 to a motion to amend the Journal. The motion
25 to refer under this rule is non-debatable and
26 may not be laid upon the table.

27 23. A motion to postpone to a day certain
28 may not specify the hour; a special order is nec-
29 essary to specify the hour; the motion may be
30 amended and it is debatable within narrow lim-

Rules of the House

1 its only, confined to the merit of the motion it-
2 self.

3 24. The simple motion to refer is debatable
4 within its narrow limits, but the merits of the
5 proposition to which it is proposed to refer may
6 not be brought into the debate. The motion to
7 refer with instructions is debatable (majority
8 vote of a quorum). When a question is raised
9 about the proper referral of a bill to committee,
10 if the Speaker admits error in the referral of the
11 bill to a committee, the bill may be re-referred
12 by a majority vote of a quorum; however, if the
13 Speaker does not admit error in the referral of
14 the bill to committee, the bill may only be re-
15 referred by a two-thirds (2/3) vote of a quorum.
16 When a bill is re-referred to a committee, any
17 previous committee recommendation is auto-
18 matically stripped from the bill.

19 24.(a) When a motion is under considera-
20 tion, only two (2) substitutes to that motion
21 shall be in order. Only a motion applicable to
22 the main motion and of a higher precedence
23 upon recognition may be substituted for the
24 motion under consideration. A substitute to the
25 third degree shall not be in order. Unless spec-
26 ified otherwise by the presenter of the motion
27 at the time the motion is made, a substitute mo-
28 tion shall apply to the main motion.

29 25. The motion to postpone indefinitely
30 opens to debate all the merits of the proposition
31 to which it is applied. It may not be applied to

Rules of the House

1 the motion to refer, or to suspend the rules, or
2 to motions relating to the order of business.

3 25.(a) The motion for indefinite postpone-
4 ment and possible consideration by a joint in-
5 terim committee shall be as follows: "Mr.
6 Speaker, I move that consideration of _____
7 be postponed indefinitely and that considera-
8 tion be given by the joint interim committee on
9 _____ for a study of _____." (majority of
10 membership).

11 26. The motion to limit or extend debate
12 must specify time limitations. A substitute mo-
13 tion specifying a lesser time may be accepted.

14 27. Reconsideration:

15 27.(a) When a proposition has been made
16 and carried or lost, it shall be in order for any
17 member of the majority on the same or suc-
18 ceeding legislative day to move for the recon-
19 sideration thereof, or give notice of his or her
20 intentions to do so and such motion shall take
21 precedence over other questions except consid-
22 eration of a conference report or a motion to
23 adjourn: Provided, the motion or proposition
24 shall only be considered during the period re-
25 served for regular bills. The notice shall not be
26 withdrawn after the said succeeding legislative
27 day without the consent of the House, and
28 thereafter any member may call it up for con-
29 sideration: Provided, the notice to reconsider
30 must be disposed of within three (3) legislative

Rules of the House

1 days following the day the vote was taken; pro-
2 vided, that such notice to reconsider cannot be
3 given after the 57th day of a regular session or
4 during a special session or fiscal session during
5 which times a motion to reconsider must be dis-
6 posed of immediately.

7 27.(b) The provisions of the rule that the
8 motion may be made “by any member of the
9 majority” is construed, in case of a tie, to mean
10 the member of the prevailing side, and the same
11 construction applies in the case of a two-thirds
12 (2/3) vote. Where the yeas and nays have not
13 been ordered recorded in the Journal, any
14 member, irrespective of whether he or she
15 voted with the majority or not, may make the
16 motion to reconsider or give notice thereof; but
17 a member who was absent or who was paired
18 in favor of the majority contention and did not
19 vote may not make a motion.

20 27.(c) A bill in the possession of the House
21 is not considered passed or an amendment
22 agreed to if a motion to reconsider is pending;
23 the effect of the motion being to suspend the
24 original proposition. A notice or motion to re-
25 consider shall not be allowed unless the bill is
26 in the House. A bill shall not leave the House
27 once notice of reconsideration is given. When
28 the motion to reconsider is decided in the af-
29 firmative, the question immediately recurs on
30 the motion reconsidered. However, prior to
31 consideration of the question at hand, the

Rules of the House

1 Speaker shall have the title, expressing the
2 main contents of the proposition being recon-

As contained in House Resolution 1001

(Tracking Item 24 on Page C18)
(Index on Page C21)

House Committee Rules

**HOUSE OF REPRESENTATIVES
COMMITTEE CHAIRPERSON'S
MANUAL
AND
HOUSE COMMITTEE RULES**

A committee chairperson is a member appointed by the Speaker of the House to function as the parliamentary head of a standing, select, special or joint committee.

1) The chairperson (or vice chairperson in his or her absence) shall call the committee to order at the appointed time.

2) The presider shall determine a quorum present either by declaration, without objection, or by calling the roll (for quorum purposes only a roll call will be required if there is one objection by a committee member to the declaration of the presence of a quorum).

3) The presider shall maintain order of the committee meeting.

4) The presider shall decide all questions of order subject to appeal to the Speaker of the House who may refer the question to the Rules Committee whose decision may be appealed to the full House.

House Committee Rules

1 5) The presider shall supervise and direct the
2 staff of the committee.

3
4 6) The presider shall prepare, or supervise the
5 preparation of, and sign all reports of the com-
6 mittee and submit them to the full House.

7
8 House Rule 55.(b) and 55.(c)

9 55.(b) All committees shall consider the
10 bills, resolutions, amendments, petitions, and
11 memorials referred to them and make one of
12 the following reports in writing to the House:

13 55.(b)(1) That a bill, resolution, petition or
14 memorial “do pass”;

15 55.(b)(2) That a bill, resolution, petition or
16 memorial “do not pass”, in which event the
17 measure shall not be considered unless the vote
18 is expunged;

19 55.(b)(3) That a bill, resolution, petition or
20 memorial “do pass as amended”.

21 55.(c) No bill, resolution, petition or me-
22 morial shall be acted upon by the House with-
23 out a “do pass” or a “do pass as amended” rec-
24 ommendation. No bills shall be placed on the
25 non-controversial calendar or deemed to be
26 non-controversial in any way unless a motion
27 is adopted in the committee to which the bill
28 was referred. With a quorum present, the mo-
29 tion is considered adopted if there are no nega-
30 tive votes.

House Committee Rules

1 7) A quorum (one more than half the total
2 membership of the committee) must be present
3 to transact official House committee business.
4

5 (House Rule 66) No committee shall transact
6 business without a quorum (a majority of the
7 committee membership present). All final ac-
8 tion on bills or resolutions, and on proposed
9 amendments to bills or resolutions, shall be de-
10 cided by a majority vote of the total member-
11 ship of the committee. Provided, however, that
12 the Speaker of the House shall not be included
13 for the purpose of determining what is a major-
14 ity of a standing committee, unless present at
15 the time of the vote. A member of the commit-
16 tee must be present at the time of the vote for
17 his or her vote to be counted on any matter con-
18 sidered by the committee (no pairs, no proxies).
19

20 8) (House Rule 54. (c)(2)) The rules or pro-
21 ceedings of the House of Representatives shall
22 be observed in all select committees, standing
23 committees, and subcommittees of the House
24 so far as they may be applicable.
25

26 The precedence of motions so far as they are
27 applicable shall be as listed in House Rule
28 19(a) – (q):
29

30 (House Rule 19) When a question is under de-

House Committee Rules

1 bate, motions shall have precedence in the fol-
2 lowing order (the request for a quorum call is
3 always in order; the chairperson is not com-
4 pelled to accept any motion):

5 19(a) To fix the time to which the House will
6 adjourn (non-debatable) (majority of a
7 quorum);

8 19(a)(1) (A majority of a quorum is a majority
9 of those voting when at least a majority of the
10 members are present and voting);

11 19(b) To adjourn (non-debatable) (majority of
12 a quorum);

13 19(c) To take a recess (non-debatable) (major-
14 ity of a quorum);

15 19(d) Postpone temporarily; lay on the table
16 (non-debatable) (majority of a quorum) To take
17 from the table (non-debatable) (majority of a
18 quorum) (when the motion to take from the ta-
19 ble is adopted, the proposition takes the same
20 position it held when the motion to lay on the
21 table was adopted);

22 19(e) Immediate consideration (non-debata-
23 ble) (2/3 of a quorum);

24 19(f) Previous question (non-debatable) (5
25 seconds) (majority of a quorum);

26 19(g) Limit or extend debate (non-debatable)
27 (2/3 of a quorum);

28 19(h) To expunge (debatable) (2/3 of member-
29 ship) (67);

30 19(i) Postpone to a day certain (debatable)
31 (majority of a quorum);

15
16 9) (House Rule 60(a)) All committee and sub-
17 committee meetings including but not limited
18 to hearings at which public testimony is to be
19 taken, (normally called “public hearings”) shall
20 be open to the public (*Art. V, Sec. 13*) and shall

27 the membership of the committee may bring
28 bills or resolutions up for consideration upon
29 notice of not less than two (2) hours.

30
31 10) (House Rule 60(b)) Special meetings of a

House Committee Rules

1 standing committee may be called by the chair-
2 person of the committee or by a majority of the
3 members of the committee for conducting any
4 business of the committee; provided, a special
5 meeting of the committee may not conflict with
6 regularly scheduled meetings of any standing
7 committee; provided further, special meetings
8 shall be subject to the same procedures regard-
9 ing the publishing of agendas and notices of
10 meetings that apply to regular standing com-
11 mittee meetings.

12
13 11) (House Rule 61(a)) All persons wishing to
14 offer testimony to a committee hearing shall be
15 given a reasonable opportunity to do so as de-
16 termined by a majority of the committee. An
17 oral or written statement shall not be a prereq-
18 uisite to offer testimony before a committee.

19
20 12) (House Rule 63) No committee shall sit
21 while the House is in session except the Com-
22 mittee on Rules or a Conference Committee,
23 which shall notify the House.

24
25 13) (House Rule 66(a)) A bill, resolution or
26 amendment in a House committee, having been
27 rejected twice, shall not be placed on the com-
28 mittee agenda again or considered again during
29 the same legislative session unless the vote is
30 expunged (two-thirds of the membership of the
31 committee). The motion to expunge shall be

House Committee Rules

1 placed on the committee agenda, by a commit-
2 tee member, and placed at the bottom of the ac-
3 tive list. A bill or resolution may be amended
4 before a second consideration; but, unless ex-
5 punged, even an amended bill having failed
6 twice shall not be placed on the agenda or con-
7 sidered. Notice of reconsideration not permit-
8 ted in committee.
9

10 14) (House Rule 47(a)) When a bill or resolu-
11 tion is under consideration, amendments shall
12 be in order. Upon adoption, amendments shall
13 become a part of the bill or resolution. Amend-
14 ments to amendments may not be offered. All
15 amendments offered before the House or one
16 of its committees must be typewritten on an ap-
17 proved amendment form and signed by the
18 sponsor. All amendments shall be attached to
19 the original bill or resolution, numbered by the
20 Bill Clerk, and shall be placed upon the mem-
21 bers' desks before being acted upon by the
22 House.
23

24 (House Rule 38(e)) All amendments shall be
25 entered on a separate sheet of paper noting the
26 line or lines to be changed and the words to be
27 deleted or inserted.
28

29 15) (House Rule 68) No bill or resolution shall
30 be introduced with a committee as the author of
31 said bill or resolution unless that committee has

House Committee Rules

1 voted unanimously to sponsor the bill or reso-
2 lution.

3
4 16) (House Rule 69) Committee Records and
5 Reports

6 69(a) The chairperson of each committee of
7 the House shall keep or cause to be kept a sep-

9 which there shall be entered:

14 ommendations: “do pass”, “do pass as

16 recommends a bill or resolution “do pass as
17 amended” and any of the amendments recom-
18 mended by the committee are not adopted on
19 the floor, the bill or resolution shall be re-re-
20 ferred to the same committee for further con-
21 sideration and recommendation.

22 (3) A summary of each bill or resolu-
23 tion's major provisions which may be several
24 paragraphs in length in case of major bills or
25 resolutions or simply the title of the bill or res-
26 olution in the case of minor bills or resolutions.

27 (4) The reason for the committee's
28 action on the bill or resolution, including a brief
29 minority report, if requested by any two (2)
30 committee members.

31 (5) A record of how every member

House Committee Rules

1 voted on each bill or resolution when action is
2 taken by the committee, including votes on a
3 motion to postpone consideration on the bill or
4 resolution and a recorded vote on any other mo-
5 tion, if requested by any two (2) committee
6 members.

7 (6) A list of all people testifying be-
8 fore a committee on each bill or resolution, the
9 interest that they represent, and an indication of
10 their position on the bill or resolution.

11
12 17) (House Rule 69(b)) Such records for each
13 separate committee meeting shall be approved
14 by the chairperson before the expiration of a
15 seven (7) day period, with the exception of
16 those records referred to in (a)(1) and (2), here-
17 inabove which shall be filed immediately with
18 the Clerk of the House.

19
20 18) (House Rule 24 part) When a question is
21 raised about the proper referral of a bill or res-
22 olution to committee, if the Speaker admits er-
23 ror in the referral of the bill or resolution to a
24 committee, the bill or resolution may be re-re-
25 ferred by a majority vote of a quorum; how-
26 ever, if the Speaker does not admit error in the
27 referral of the bill or resolution to committee,
28 the bill or resolution may only be re-referred by
29 a two-thirds (2/3) vote of a quorum. When a
30 bill or resolution is re-referred to a committee,

House Committee Rules

1 any previous committee recommendation is au-
2 tomatically stripped from the bill or resolution.
3 When a motion is under consideration, only
4 two (2) substitutes to that motion shall be in or-
5 der. Only a motion applicable to the main mo-
6 tion and of a higher precedence upon recogni-
7 tion may be substituted for the motion under
8 consideration. A substitute to the third degree
9 shall not be in order. Unless specified other-
10 wise by the presenter of the motion at the time
11 the motion is made, a substitute motion shall
12 apply to the main motion.

13
14 19) (House Rule 55 (a)) House Committee
15 Staff will automatically and without delay
16 place all bills or resolutions referred to the
17 committees on the committee agendas. Staff
18 will notify the sponsor of bills or resolutions
19 assigned to committee. Referred bills shall be
20 placed on the committee's active agenda in the
21 order they are read across the desk on the
22 House Floor. A bill shall not be placed on a
23 committee agenda until the second calendar
24 day following the initial filing of the bill.
25 When an active agenda is established in a com-
26 mittee and bills from that agenda are not placed
27 on the deferred list and if the bills are passed
28 over, they are placed at the bottom of the list of
29 the day's active agenda.

30
31 20) After a bill or resolution has appeared on

House Committee Rules

1 the committee agenda and has been called up
2 for consideration by the committee and the
3 sponsor of the bill or resolution or a representa-
4 tive is not present to present the bill or resolu-
5 tion, the bill or resolution will be placed on the
6 active agenda two (2) additional times, but will
7 be placed at the bottom of the active agenda.

8
9 21) The sponsor may request a bill or resolu-
10 tion be moved to a deferred list of bills and res-
11 olutions. A bill or resolution passed over after
12 appearing on three (3) committee agendas shall
13 be moved to the deferred list. Sponsor requests
14 to move bills or resolutions from the deferred
15 list to the active agenda must be made by 2:30
16 p.m. two (2) days prior to the scheduled com-
17 mittee meeting. Bills or resolutions moved
18 from the deferred list to the active agenda shall
19 be listed at the bottom of the active agenda.
20 Bills or resolutions on the deferred list may be
21 moved to the active calendar as provided by
22 rule for a total of three (3) times only. A sus-
23 pension of this rule by the committee (two-
24 thirds of a quorum) will be required for each
25 transfer of any bill or resolution having been
26 moved three (3) times previously.

27
28 22) Bills or resolutions suggested as non-con-
29 troversial will be considered before considera-
30 tion of controversial bills or resolutions on the
31 agenda. The objection of one (1) committee

House Committee Rules

1 member to the consideration of a bill or resolution
2 tion as non-controversial will automatically
3 keep the bill or resolution from being considered
4 as being non-controversial. Even though a
5 bill or resolution has been considered as non-
6 controversial, it will be necessary after a “do
7 pass” or “do pass as amended” recommendation
8 that a motion be made and there be unanimous
9 consent of no less than a quorum of the
10 committee for a bill or resolution to be eligible
11 to be placed on the House non-controversial
12 calendar.

13
14 23) If a bill or resolution is discussed by a committee
15 at a meeting, but is not voted on because
16 of time limitations or because the vote is deferred
17 to the next meeting, the bill or resolution
18 will not lose its order on the agenda and will
19 not be counted as having been considered.

20
21 24) The author/sponsor of a bill or resolution
22 may make a presentation for his or her bill or
23 resolution and may elect at that time to respond
24 to questions from the committee members.
25 Following the initial presentation, non-legislative---
26 non-committee members will be allowed
27 to alternately speak against and for the bill or
28 resolution. A procedural motion made by a
29 member of the committee and adopted by the
30 committee to limit or end debate will be al-

House Committee Rules

1 lowed to govern non-legislative--non-commit-
2 tee members' discussions. At the conclusion of
3 the non-legislative--non-committee member
4 proponent and opponent presentations, the
5 sponsor may return to the podium and may
6 elect to field questions from the committee
7 members. Those questions should be limited
8 to requests for clarification or the securing of
9 information. Questions that are rhetorically of-
10 fered and are dilatory for the effect of debate
11 are discouraged. At this point, the chair will
12 entertain motions from committee members
13 only. For disposition of a proposition in a
14 House Committee, procedural motions (limit
15 debate, immediate consideration, etc.) are al-
16 lowed only following a main motion (do pass,
17 do not pass, do pass as amended, etc.). Discus-
18 sion from that point forward is limited to com-
19 mittee members for and against the motion, if
20 debatable, in alternating fashion. If immediate
21 consideration is not adopted and if debate has
22 not been limited and time has not expired, the
23 sponsor of the motion will be allowed to close
24 for his or her motion. During the closing, the
25 sponsor of the motion may elect to field ques-
26 tions from committee members. At the conclu-
27 sion of these presentations, a vote will be taken
28 on the motion properly before the committee.

29
30 25) As determined by the presider courtesy

House Committee Rules

1 may be extended to General Assembly mem-
2 bers who are non-committee members who
3 need to return to their own committee meet-
4 ings.

5
6 26) (House Rule 66) Eleven (11) members of
7 a standing committee constitute a committee
8 quorum with the Speaker present if he or she is
9 a member of the committee and ten (10) mem-
10 bers when the Speaker is not present. A com-
11 mittee recommendation of a bill or resolution
12 will require these same numbers.

13
14 27) Smoking is prohibited in the committee
15 rooms and all adjoining rooms.

16
17 28) (House Rule 69(a)(5)) A roll call vote will
18 be required if requested by any two (2) com-
19 mittee members, except for a quorum call
20 which may be requested by one (1) member.
21 The request for a quorum call is always in or-
22 der.

23
24 29) When a roll call is required, the roll will be
25 called by seniority with the vice chairperson
26 being called next to last and the chairperson
27 last. For a member's vote to be counted and rec-
28 orded, he or she must vote "yes", "no" or "pre-
29 sent".

30
31 30) During a roll call vote, when a member's

House Committee Rules

1 name has been called twice and he or she does
2 not respond, or when a member passes, they
3 will not be allowed to vote at a later time on the
4 current issue before the committee.

5
6 31) No seconds are required during the legis-
7 lative process except those that are explicit in
8 the rules, (roll call, previous question, sound
9 the ballot, etc.)

10
11 32) (House Rule 38(r)) "Fiscal impact state-
12 ment" means a realistic statement of the esti-
13 mated financial cost of implementing or com-
14 plying with a proposed law regarding:

15 (1) Municipalities;

16 (2) Counties;

17 (3) Education, as related to the State of Ar-
18 kansas and local school districts grades kinder-
19 garten through twelve (K-12);

20 (4) Corrections, if imposing new or addi-
21 tional costs and restrictions on inmate popula-
22 tion patterns or affecting programs or services
23 of the Department of Correction;

24 (5) Lottery, if amending Arkansas Code,
25 Title 23, Chapter 115, or imposing a new or in-
26 creased cost to the Office of the Arkansas Lot-
27 tery or a lottery;

28 (6) Imposing a new or increased cost on the
29 State and Public School Life and Health Insur-
30 ance Program; or

31 (7) New or existing scholarships to be

House Committee Rules

1 funded with net proceeds from the state lottery
2 or the Higher Education Grants Fund Account,
3 as applicable.
4

5 33) (House Rule 38(s)) When any House or
6 Senate bill or resolution requiring an expendi-
7 ture of public funds or otherwise imposing a
8 new or increased cost obligation is pending be-
9 fore any committee of the House of Represent-
10 atives, any member of the committee may re-
11 quest that a fiscal impact statement for such bill
12 or resolution be placed on the desk of each
13 member of the committee before the bill or res-
14 olution is called up for final action in the com-
15 mittee. If such request is made, the chairperson
16 of the committee shall refer the bill or resolu-
17 tion to the appropriate state agency or to the
18 legislative staff for the preparation of a fiscal
19 impact statement, to be returned to the commit-
20 tee in writing not later than five (5) days from
21 the date of the request.
22

23 34) (House Rule 38(u)) Fiscal impact state-
24 ments shall be made available to House Com-
25 mittees:

26 (1) At least one (1) day before the bill may
27 be called up for final action in the House Com-
28 mittee during a regular legislative session or
29 fiscal session of the General Assembly; and

30 (2) At least one (1) day before the bill may

House Committee Rules

1 be called up for final action in the House Com-
2 mittee during a special session of the General
3 Assembly.

4 Fiscal impact statements shall be made
5 available to the full House of Representatives
6 at least one (1) day before the bill may be called
7 up for third reading and final action in the
8 House of Representatives.
9

10 35) (House Rule 38(v)) (1) Except for bills
11 imposing a new or increased cost obligation on
12 the State and Public School Life and Health In-
13 surance Program or bills regarding new or ex-
14 isting scholarships to be funded with net pro-
15 ceeds from the state lottery or the Higher Edu-
16 cation Grants Fund, failure of the sponsor of a
17 bill or resolution to provide the fiscal impact
18 statement required in this rule shall not prohibit
19 the consideration of it in the committee to
20 which referred or on the floor of the House of
21 Representatives, if no objection to it is made at
22 the time such action is taken.

23 (2) A bill filed in the House of Representa-
24 tives that will impose a new or increased cost
25 obligation on the State and Public School Life
26 and Health Insurance Program shall:

27 (A) Have a fiscal impact statement at-
28 tached to the bill prepared and filed with the
29 chair of the committee to which the bill is re-
30 ferred; and

31 (B) Not be taken up by the committee

House Committee Rules

1 to which the bill is referred until a fiscal impact
2 statement is provided to the chair of the com-
3 mittee.

4 (3)(A) Any bill filed with the House of
5 Representatives that creates a new scholarship
6 to be funded with net proceeds from the state
7 lottery or the Higher Education Grants Fund
8 Account, as applicable, or affects an existing
9 scholarship that is funded with net proceeds
10 from the state lottery or the Higher Education
11 Grants Fund Account, as applicable, shall:

12 (i) Have a lottery fiscal impact state-
13 ment attached to it that is in the form set forth
14 in Arkansas Code § 6-85-502; and

15 (ii) Not be taken up by the House Com-
16 mittee on Education and the Senate Committee
17 on Education meeting jointly, until a lottery fis-
18 cal impact statement is attached.

26 (2) No such bill shall be introduced after
