DAILY SUMMARY FOR THE 2024 FISCAL SESSION FOR TUESDAY, APRIL 16

On Tuesday, the House Rules Committee advanced nine resolutions to introduce non-appropriation bills during this Fiscal Session.

Eight of those resolutions address the operations of digital asset mining.

Amendment 1 for HB1014 adds $500,000 for transitional housing for the Department of Community Correction.

Amendment 1 for HB1041 adds $5 million for transportation modernization grants for the Department of Education.

The House will reconvene on Wednesday at 1 pm.
