NEWSLETTER FROM REP. Keith Brooks
DISTRICT 78

April 16, 2024

DAILY SUMMARY FOR THE 2024 FISCAL SESSION FOR TUESDAY, APRIL 16

On Tuesday, the House Rules Committee advanced nine resolutions to introduce non-appropriation bills during this Fiscal Session.

Eight of those resolutions address the operations of digital asset mining.

HR1013 would authorize the introduction of legislation outlining a temporary pay plan for state employees.

Resolutions to introduce non-appropriation legislation must pass with a 2/3 majority in the House and Senate before a bill can be introduced.

The full House passed several amendments to appropriation bills. Amendment 1 for HB1013 adds $8 million for overtime pay for correctional officers.

Amendment 1 for HB1014 adds $500,000 for transitional housing for the Department of Community Correction.

Amendment 1 for HB1041 adds $5 million for transportation modernization grants for the Department of Education.

The House will reconvene on Wednesday at 1 pm.
