STATE OF ARKANSAS
House of Representatives

Newsletter From Rep. Aaron Pilkington
District 45

April 3, 2023

Daily Summary for Monday, April 3, 2023

On Monday, the House passed HB1345.This bill increases the income tax deduction for a teacher's classroom expenses from $500 a year to $750 a year.

The House also passed the following bills:

HB1720-This bill states that a digital currency tracker shall not be used in this state to track an individual's purchases or location through the use by an individual of digital currency unless a warrant has been issued in a criminal or civil court case that expressly authorizes the tracking of the individual's purchases or the individual knows and consents to the digital currency tracker.

HB1650-This bill creates the Event Ticketing and Resale Consumer Protection Act.

HB1681-This bill prohibits a state agency or local government from enacting or enforcing a universal basic income. Universal basic income is defined in the bill as a program that is not expressly required by federal law in which an individual receives a guaranteed cash payment regularly.

HB1346-This bill exempts sales tax on vehicles donated to food banks.

HB1398-This bill increases the stillborn child income tax credit from $1,000 to $1,500.

HB1540-This bill allows a public school to administer a grade-level placement test to a student who is reentering the public school.

HB1529-This bill creates the Arkansas Adult Diploma Program. The purpose of the program is to assist adults 21 years of age and older to obtain a high school diploma and develop employability and career technical skills. It directs the

Department of Education to develop and administer the program to provide for a modality that is campus-based, online, or blended.

The House will reconvene on Tuesday at 1 p.m.
