April 3, 2023

Daily Summary for Monday, April 3, 2023

On Monday, the House passed [HB1345](#). This bill increases the income tax deduction for a teacher's classroom expenses from \$500 a year to \$750 a year.

The House also passed the following bills:

[HB1720](#)-This bill states that a digital currency tracker shall not be used in this state to track an individual's purchases or location through the use by an individual of digital currency unless a warrant has been issued in a criminal or civil court case that expressly authorizes the tracking of the individual's purchases or the individual knows and consents to the digital currency tracker.

[HB1650](#)-This bill creates the Event Ticketing and Resale Consumer Protection Act.

[HB1681](#)-This bill prohibits a state agency or local government from enacting or enforcing a universal basic income. Universal basic income is defined in the bill as a program that is not expressly required by federal law in which an individual receives a guaranteed cash payment regularly.

[HB1346](#)-This bill exempts sales tax on vehicles donated to food banks.

[HB1398](#)-This bill increases the stillborn child income tax credit from \$1,000 to \$1,500.

[HB1540](#)-This bill allows a public school to administer a grade-level placement test to a student who is reentering the public school.

[HB1529](#)-This bill creates the Arkansas Adult Diploma Program. The purpose of the program is to assist adults 21 years of age and older to obtain a high school diploma and develop employability and career technical skills. It directs the

Department of Education to develop and administer the program to provide for a modality that is campus-based, online, or blended.

The House will reconvene on Tuesday at 1 p.m.
