1. Change passwords on your email, banking, and other personal accounts.
2. Make a list of credit card companies, banks, and other financial institutions where you do business. Tell them you are a victim of identity theft and ask them to put a fraud alert on your account.
3. Get a copy of your credit report and dispute any fraudulent transactions. You can [request credit reports online](#) from the 3 major credit reporting agencies (Equifax, Experian, and Transunion) or by calling (877) 322-8228.
